RE: Andrews for Congress ID number C00243428

Dear Ms. Iovino:

This letter serves as a response to your letter dated January 13, 2009 regarding the Andrews for Congress 30 Day Post General Report. My responses are in the same order as the items in the RAI.

1. I amended Column B in the Post General Report as well as the prior two reports to accurately demonstrate the proper Column B figures. The Amendment was submitted electronically.
2. Lothar Budike and Lothar E.S. Budike are two different individuals and do not have the incorrect values in the 'Election Cycle to Date' fields. We do have many contributors who have similar names and I will try to make a note of them to you when submitting our reports so that we are both aware of it.
3. I did recognize that a 48 hour notice was submitted incorrectly the day after it was submitted and brought it to your attention. As you mentioned when we spoke 48 hour notices cannot be amended however it was properly reported on the 30 Day Post General Report and I will continue to monitor 48 hour notices for accurate submission.
4. I amended Schedule B of the report and itemized all disbursements made to vendors on the credit card. The Amendment was submitted electronically.
5. We do use our 'best efforts' to obtain the employer information of contributors and will remain diligent in doing so. I have spoken to our campaign staff about the importance of obtaining the information when the contribution is made. I am confident that this, combined with the letters that I send when trying to obtain the information, will cut down on the number of contributors missing this information.
6. In the interest of full disclosure, it has been the Committee's practice to disclose all contributions including those less than the \$200 threshold.

As always, please contact me if you need any additional information. I appreciate your diligence in assisting us with our compliance.

Very truly yours,
Maureen Doherty
Treasurer
